## UAN Activation: New Mandate

UAN (Universal Account Number) activation has become a mandatory digital process for all EPFO members since 1 August 2025, and is now exclusively carried out using Aadhaar-based Face Authentication via the UMANG App. This process is friendly for both new employees (including under the ELI Scheme) and existing employees, with distinct advantages for each group.

- Employees must generate and activate their UAN using Aadhaar Face Authentication on the UMANG App; employer intervention is not needed except in rare cross-border situations.
- The process is fully digital, requiring just the UMANG app, Aadhaar Face RD app, Aadhaar number, mobile number, and face scan for secure, error-free generation; UAN and temporary password are shared instantly via SMS for EPFO login.

### ELI Scheme for New Joinees

- The Employment Linked Incentive (ELI) Scheme is designed for first-time employees and aims to formalize jobs: only EPFO-registered individuals with an active, Aadhaar-linked UAN can access incentives.
- Under Part A, eligible new joinees receive a one-month EPF wage (up to ₹15,000) in two instalments—after six and twelve months of service—via Direct Benefit Transfer (DBT) once their UAN is activated.
- All payment and eligibility tracking under ELI requires UAN activation through UMANG.

### Advantages of UAN Activation via Umang App

#### For New Employees

- Instant onboarding: Employees can self-generate and activate UAN, eliminating delays and paperwork.
- ELI benefits access: Timely UAN activation enables participation in government incentive schemes and immediate start of PF contribution tracking.
- Secure registration: Face Authentication ensures strong verification and prevents errors or duplicates in EPF records.
- Direct access: Employees can download their e-UAN card and begin using EPFO services from day one, including passbook and claim facilities.

## For Existing Employees

- Self-service updates: Quick UAN activation unlocks online KYC updates, bank/Aadhaar changes, and direct claim submission without employer help.
- Higher security: Biometric authentication secures their account and future EPFO interactions against identity fraud or misuse.
- Unified access: All EPFO services (passbook viewing, claims, updates) are available on mobile through the UMANG app, making management swift and accessible.

## Summary Table: Benefits Comparison

| Employee Type                     | Key Benefits of UAN Activation via Umang                           | Requirement for ELI Scheme          |
|-----------------------------------|--------------------------------------------------------------------|-------------------------------------|
| New Joinee (First Time Employees) | Instant self-generation, error-free, direct EPFO access            | UAN must be active & Aadhaar-linked |
| Existing Employee                 | Self-service updates, higher security, access to all EPFO features | Not applicable                      |
